WALK-OFF MODULAR CARPET

QUICKSHIP

Arrive + Depart

Since 85% of carpet soil and other contaminants come into the building on shoe soles, we also recommend using entryway systems at all entrances to trap and hold dirt and other pathogens before they are tracked into interior floor surfaces. A minimum of 15-ft. of entryway system is needed.

PRODUCT DETAILS

Fiber

ENCORE® SD (WITH RECYCLED CONTENT) AND TERAPLEX® SD

The hybrid fiber system of Landline combines the best of Encore SD and TeraPlex® SD. Encore® SD is specifically engineered to maximize appearance retention with exceptional color, performance, sustainability and practicality. TeraPlex® SD is engineered to maximize appearance retention with exceptional color, performance, sustainability and practicality. TeraPlex® SD is an advanced GEN III continuous filament PET fiber for today's commercial flooring. Introduced after 30 years of intensive R&D by leading polymer scientists, it utilizes the best PET resin to create a resilient carpet fiber with exceptional clarity and stain-resistance properties.

Backings

NEXUS® MODULAR

Nexus modular products can be installed in a variety of ways and are performance engineered to be visually appealing. In addition, they are designed to accommodate your long-term flooring budget.

- Contains pre-consumer recycled content and contributes to LEED
- Recyclable through EF Contract's R4 Carpet Reclamation Program

Warranty: Installed With TileTabs	Lifetime
Warranty: Installed With Commercialon® Premium Adhesive (non-prorated)	Lifetime
Warranty: Installed With Any Other Adhesive	1 year
Max RH, pH Installed Without Commercialon® Sealer	90% RH, pH 9 (Commercialon Adhesive)
Max RH, pH Installed With Commercialon® Premium Sealer	99% RH, pH 11 (TileTabs) — 97% RH, pH 11 (Commercialon Adhesive)

Moisture

Are high levels of moisture in your concrete slab causing issues with your project's floor covering? We can help.

- Nexus Modular Carpet with TileTabs - 99% RH
- Cost-efficient
- Long-term performance
- Straightforward, easy-to-understand Lifetime warranty
- Requires no special floor preparation

Adhesives

COMMERCIALON® PREMIUM MODULAR ADHESIVE A high-strength acrylic latex-based carpet adhesive specifically formulated for bonding modular PVC backed carpet to the floor. This premium adhesive is for use with all Nexus Modular Tile products. This adhesive is guaranteed for the life of the installation when used in accordance with the EF Contract Carpet Installation Handbook. Commercialon Premium Modular Adhesive meets the CRI Low-VOC Emission Criteria. Commercialon Premium Modular Adhesive is nontoxic, has ultra-low odor and is antimicrobial in the dry state.

Optional

TILETABS High Tack Adhesive Tabs (modular only)

Technologies

PROTEX® SOIL RELEASE ProTex is a proprietary soil release technology that is applied and bonded to the pile fiber to impede soiling and to improve cleanability. It is standard on all EF Contract flooring products

Optional

PROSEPT® ANTIMICROBIAL SENTIR® ADVANCED ODOR-BLOCKING TECHNOLOGY

©2025 Engineered Floors LLC - This unique design is protected under the U.S. Copyright Act of 1976. Any unauthorized copying or duplication of this design constitutes copyright infringement in violation of federal law.

Due to the unique visual characteristics of modular carpets, pattern repeats and pattern run-off seams may appear more noticeable than in broadloom carpets. Such visual characteristics do not constitute a manufacturing defect, and as such, should be considered when selecting modular carpet and its installation. These photographs are representations of the installation for this modular product. Your modular installation may look different than these photos depending upon individual tile placement, lighting and overall space layout, including furnishings. Final tile placement and the resulting visual is thus the customer's, and not EF Contract's, responsibility.
